In their Orders Mis.Nos.1621 Revenue,dated 9th July 1919 and 2289 Revenue, dated 6th October 1919 Government sanctioned the retention till 31st May 1920 of the three temporary draftsmen employed under the Land Records Tahsildar, South Kanara to deal with the large number of subdivisions received for scrutiny and incorporation. As the work continues to be heavy, the Collector requests sanction to the retention of the three temporary men for a further period of one year from 1st June 1920.

2. Independently of old arrears, 16,432 subdivisions were sanctioned in 1918-19 and 11,840 in 1919-20, while the number mapped during the two years were 9,981 and 9807 respectively. The Director of Land Records, report that on 31st March 1920 there remained 12,591 subdivisions to be attended to and if roughly 12,000 are taken as the number likely to be sanctioned during the current year the work for the year will be 24,591 subdivisions.

3 Since 1st June 1918 four draftsmen (one permanent and three temporary) have been employed and under G.O.No.1125 Rev dated 19th April 1917, they are also attending to the scrutiny of the subdivisions. The Director doubts whether the outturn during the last two years was adequate and promises to submit a report on the point after making further enquiries. Meanwhile the arrears of subdivisions including the probable number that may be sanctioned during the year, but excluding the number pending with the revenue inspectors will be very heavy. The Director considers that there will be sufficient work for four draftsmen for another

year. The Board agrees with him and accordingly requests that Government will be pleased to sanction the retention of the three temporary men for a further - period of one year from 1st June 1920. The Collector is retaining them in anticipation of sanction.

4. The expenditure can be met from the amount provided under "3 C-Land Records- Maintenance of Land Records-Executive subordinates- Temporary Establishment".

It is actually necessary to call these people "draughtsmen". The Board says "draftsmen" & surely it is a simpler term
